Distinguished design

Harman Kardon Citation 200 blends home audio innovation with sophisticated design. Its premium blended wool fabric, made by Kvadrat, is dirt repellent, flame retardant and features a special coating for easy cleaning.

Superior sound and sophistication

The first truly premium product of its kind, the Harman Kardon Citation 200 is the ultimate in state-of-the-art audio from Harman Kardon, the world's foremost purveyor of high fidelity audio products for over 65 years.

Stream wirelessly using Wi-Fi or Bluetooth

Harman Kardon Citation makes it easy to wirelessly stream your favorite songs and podcasts. Use Wi-Fi indoors to listen in HD quality. Or connect your smartphone or tablet via Bluetooth for a portable listening experience outdoors.

IPX4 splashproof against minor splashes

Enjoy your favorite audio inside or outside. Splashes by the kitchen sink or a few raindrops in the garden are nothing to worry about.

8 hours of continuous playback

When fully charged, you'll enjoy 8 full hours of continuous playtime. And when it is empty, simply place the Harman Kardon Citation 200 on its sleek and compact cradle and listen as it charges. There is also a USB type C port on the back of the speaker for convenient charging when you're out.

Your music everywhere

Let your home resonate with a single soundtrack, or play different music in each room. Simply add additional Citation speakers to your Harman Kardon Citation 200 to create a complete home audio experience you control from your tablet or smartphone.

Get hands-free help with Google

With your Harman Kardon Citation wireless home system, talk to Google to play music, podcasts, news and radio all with your voice. Just say "Hey Google" to get started.

Access more than 300 music streaming services

Relax, energize, explore. Harman Kardon Citation 200 gives you access to over 300 music streaming services through Chromecast built-in™. Enjoy all of your favorite audio content, Internet radio and podcasts in stunning high-definition.

Enjoy your Apple Music with AirPlay

Discover new artists and access your favorite playlists from Apple Music with AirPlay. Use the iPhone app to choose your soundtrack and set the mood anywhere in your home.

Seamless stereo sound

Create lush, layered audio that fills your space without sacrificing simplicity. Pair two Harman Kardon Citation 200 speakers in the same room to effortlessly create luxurious, wireless stereo sound.

Privacy please

Be in control of how you connect and what you share. Harman Kardon Citation's microphones are easily switched on or off, providing security and privacy as you require. Multicolored LED indicators allow you to quickly check the current state of microphones.

Always up to date

Effortlessly keep your features and services up to date. Software updates and upgrades automatically download and install to your system. Maintaining state-of-the-art home audio has never been easier.

Simple setup with Google Home

With the free Google Home app for iOS and Android, you can easily set up and manage all of your Harman Kardon Citation speakers. All speakers support both 2.4GHz and 5GHz Wi-Fi connections.
