

MINOR III

TAGLINE

ALL SOUND, NO FUSS WITH 25 HOURS OF WIRELESS PLAYTIME

PRODUCT COPY

Minor III brings you Marshall signature sound without any extra clutter. These headphones do all the heavy lifting for you, so you can just grab your music and go. Enjoy the absolute freedom of listening without wires. Minor III comes with Bluetooth 5.2, ensuring that each earbud has a strong connection to your device.

You don't want to be left stranded without music when you need it most, so Minor III packs 25 total hours of wireless playtime to keep you moving. Carry additional charges in your pocket with the compact portable charging case. Minor III will blow you away, with custom-tuned 12 mm drivers that deliver enhanced bass, smooth mids and clear highs. Experience sound the way Marshall intended.

KEY SELLING POINTS

1. PAIR AND PLAY

Short: Minor III brings you Marshall signature sound without any extra clutter – just grab your music and go.

Medium: Minor III brings you unrivalled Marshall signature sound without any extra clutter. These headphones do all the heavy lifting for you, so all you have to do is pair with your device and play.

Long: Minor III brings you unrivalled Marshall signature sound without any extra clutter. These headphones do all the heavy lifting for you, so you can just grab your music and go. Just put them in your ears, pair, turn up the volume and head out. The open-fit earbuds also fit comfortably in your ears so you can listen all day, and if you run out of power just place them in the portable charging case that fits right there in your pocket.

2. FREEDOM FROM WIRES

Short: Minor III is truly wireless, giving you the absolute freedom of listening without wires, while delivering the same powerful audio.

Medium: Minor III is truly wireless, giving you the absolute freedom of listening without wires, while delivering the same powerful audio. Minor III comes with Bluetooth 5.2, which ensures that the earbuds have a strong connection to your device.

Long: Minor III is truly wireless, giving you the absolute freedom of listening without wires, while delivering the same powerful audio. Rock out to your favourite playlist or stretch out with something more relaxing, without your headphones getting in the way. Minor III comes with Bluetooth 5.2, which ensures that the earbuds have a strong connection to each other and to your device, so you receive the best possible sound experience.

3. 25 HOURS OF WIRELESS PLAYTIME

Short: You don't want to be left stranded without music when you need it most, so Minor III packs 25 total hours of wireless playtime to keep you moving. You can easily charge the case wirelessly or with a USB-C cable.

Medium: You don't want to be left stranded without music when you need it most, so Minor III packs 25 total hours of wireless playtime to keep you moving. The earbuds hold 5 hours and the portable charging case carries four additional charges so you can slip the earbuds into the case for some extra power when needed. You can easily charge the case wirelessly or with a USB-C cable.

Long: You don't want to be left stranded without music when you need it most, so Minor III packs 25 total hours of wireless playtime to keep you moving. The earbuds hold 5 hours and the portable charging case carries four additional charges, so you can slip the earbuds into the case for some extra power when needed. Only 15 minutes of quick charge gives you 1.5 hours of playtime. You can charge the case wirelessly or with a USB-C cable. Never stop moving, never stop listening.

4. POWERFUL CUSTOM-TUNED DRIVERS

Short: Minor III will blow you away with 12 mm custom-tuned drivers.

Medium: Minor III will blow you away with 12 mm custom-tuned drivers, delivering a loud and crisp sound.

Long: Minor III will blow you away with 12 mm drivers, custom-tuned to deliver enhanced bass, smooth mids and clear highs. Minor III lets you experience sound the way Marshall intended.

5. INTUITIVE TOUCH CONTROLS

Short: Minor III comes with touch-sensitive earbuds, so you can use them to control your music and phone calls.

Medium: Minor III comes with mirrored touch-sensitive earbuds, so you can use either one to control your music and phone calls. Removing and inserting an earbud also initiates the auto-pause and -play feature, so you won't miss a single beat.

Long: Minor III comes with mirrored touch-sensitive earbuds, so you can use either one to control your music and phone calls. Removing and inserting an earbud also initiates the auto-pause and -play feature, so you won't miss a single beat.

Use either earbud to navigate playback and manage phone calls:

- 1 touch to play/pause
- 1 touch to receive/end a call
- 2 touches to reject call
- 2 touches to skip forward
- 3 touches to skip backward
